The Platform

About Q4 Inc.

Q4 Inc. is the leading provider of IR Ops software with the world's largest set of proprietary investor data, purpose-built to remove obstacles between public companies and their investors. Q4 gives investor relations leaders, C-Suite Executives and their teams the tools to attract, manage, and understand investors — all in one place. The AI-enabled Q4 Platform boasts applications for website and event management, engagement analytics, and overall lifecycle management, including AI Earnings Co-Pilot to generate draft scripts based on historical data, and AI earnings call summaries to understand peer sentiment. The Q4 Platform also includes a streamlined investor CRM and shareholder intelligence with enhanced metrics to elevate investor targeting strategies within the platform. Q4 delivers the data, insights, and workflows that give IR teams the power to focus on what really matters: strategy, relationships, and driving premium valuations for their companies.

The company is a trusted partner to more than 2,600 public companies globally, including many of the most respected brands in the world, and maintains an award winning culture where team members grow and thrive.

Q4 is headquartered in Toronto, with an office located in London. Learn more at www.q4inc.com.
